Email: mukeshkumarpandey82@gmail.com
Mobile: +91-84240 76924

Skills

Languages:	Python, C/C++, Java
Tools & Frameworks:	GitHub, PowerBI, FastAPI, Flask, Streamlit, Scikit-learn, Matplotlib, Seaborn, SciPy, Manim
AI & LLMs:	LangChain, Ollama, ChromaDB, RAG, Prompt Engineering, LoRA/QLoRA Fine-tuning
Databases:	MySQL, PostgreSQL
Soft Skills:	Problem-Solving, Time Management, Multitasking, Self-Learning

Projects

WebRAG — Grounded Q&A Bot GitHub	Jul 2026
- Built a RAG app answering only from live web pages via LangChain, nomic-embed-text, Chroma and Gemma 4. - Detected page updates via SHA-256 hashing with a unified-diff freshness report and auto re-indexing. - Cut hallucinations to near 0% on off-topic queries; improved retrieval relevance by ~30%. - Tech used: Python, LangChain, Ollama, Gemma 4, Chroma Vector DB, Streamlit	
GramSetu — Digital Village Management Portal GitHub	Jul 2026
- Architected a full-stack governance portal digitizing 10+ citizen workflows with real-time tracking and JWT auth. - Designed an admin analytics dashboard (Chart.js), improving service-request processing visibility by ~45%. - Integrated a multilingual Gemini 2.5 Flash chatbot; scaled to 500+ sessions at 90% uptime. - Tech used: React, Node.js, Express.js, MongoDB Atlas, Gemini API, JWT, Vercel	
Manimax GitHub	Apr 2026
- Created a DeepSeek + Qwen3-Coder pipeline turning topics into narrated Manim videos; cut scripting time ~70%. - Added DeepSeek code review, stage validators and deterministic fixes for known Manim render errors. - Shipped per-chapter regeneration from feedback, synced notes and multi-language narration. - Tech used: Python, Manim, Ollama, edge-tts, Node.js, Express, Docker, FFmpeg	

Training

AI Engineer Launchpad Mastering LLMs and Agentic AI Certificate	May 2026 – Jun 2026
- Gained a solid foundation in LLMs and Transformers, covering attention, tokenization, embeddings and pre-training. - Developed RAG apps with LangChain and ChromaDB, covering chunking, semantic search and retrieval. - Used zero-shot, few-shot, chain-of-thought and structured prompting with function calling. - Achieved hands-on experience on LoRA / QLoRA fine-tuning, quantization and instruction tuning.	

Certificates

Oracle AI Database Certified Foundations Associate Oracle	Sep 2026
Oracle Cloud Infrastructure AI Foundations Associate Oracle	Jul 2026
Database Management System Infosys	Aug 2026
Programming Using C++ Infosys	Aug 2025

Achievements

Placed Top 15 in Resurgence Hackathon at Lovely Professional University for the Manimax project	Apr 2026
Delivered a paid Python & MySQL Inventory and Billing System with real-time stock and auto-billing	Jul 2025

Education

Lovely Professional University	Phagwara, Punjab
Bachelor of Technology - Computer Science and Engineering; CGPA: 8.89	Aug 2024 – Present
Army Public School	Beas, Punjab
Intermediate; Percentage: 86%	Apr 2023 – May 2024
Army Public School	Beas, Punjab
Matriculate; Percentage: 92.6%	Apr 2021 – May 2022
